

TO ALL MINERS.

**BUSHELL'S (PATENT)** 

 **GOLD CONCENTRATOR.**

THE attention of all **MINING MEN** is invited to this Machine, which is acknowledged by competent authorities to be the best **GOLD SAVER** yet invented

It acts either with or without water; and, as it weighs only 27 lbs., it can be carried about by one man without inconvenience.

*No Prospector Should be Without One.*
