LOCAL GOVERNMENT.

For the purposes of the Land Regulations and Geographical divisions the Colony is divided into six Divisions:

South-West Division contains 67,000 square miles, & is the most temperate part of Western Australia. It was the portion of the Colony first settled, & is that in which about four-fifths out of the whole population now reside.
Gascoyne Division contains an area of 133,000 square miles, & in its present state is only suitable for pastoral purposes, & has been proved to be healthy for all kinds of stock. Included in this division is the rich Murchison Goldfield.
North-West Division contains 81,000 square miles, & is a rich pastoral division, consisting of well grassed plains, fairly well watered. The Pilbarra Goldfield is within this division, & is yielding an increasing quantity of gold.
Kimberley Division contains an area of 144,000 square miles. The Kimberley Goldfields, situated at the water-head of the Fitzroy & the Ord, have attracted considerable notice, & it is certain will eventually prove to be very valuable.
Eucla Division contains 59,000 square miles, & is almost unoccupied.
Eastern Division contains 91,920 square miles, & comprises the interior of the Colony. The Yilgarn Goldfields are within this division.

Area.—The greatest length of the territory of W.A. from Cape Londonderry in the north to Peak Herd (south of King George's Sound) in the south, is 1,450 miles, & its breadth from Steep Point, near Dirk Hartog's Island on the west, to the 129th meridian, on the east, about 850 miles, containing, according to the latest computations, an area of 975,920 square miles, or 624,588,800 acres. The area of the whole Continent of Europe is 3,797,000 square miles, whilst the grand total of the British Dominions is 9,178,071 square miles, & that of Great Britain & Ireland, 120,840 square miles.

DISTRICT ROADS BOARDS.

The formation, construction, and maintenance of the public roads throughout the Colony, excepting those within the boundaries of a municipality, is intrusted to the care of local boards appointed to represent the several road board districts into which the Colony is divided, and which it is optional for the governor to designate, define, or alter, at any time, by notice in the Government Gazette.
