"Messrs. Raphael Tuck & Sons have certainly maintained the high reputation they so justly hold for their artistic productions. It is, indeed, a wonderful collection that they offer to the public."—*The Graphic*.

"A glance over Messrs. Raphael Tuck & Sons' publications will satisfy the most exacting person of the traditional high standard of the wares. For richness of colour, delicacy in printing, and variety of design, these leading makers have never done better than in the cards before us."—*The Daily Chronicle*.

"When Raphael Tuck's budget comes round every year, it induces an ever-fresh feeling of amazement at the range, extent, and ability of the army of artists and artificers to whose labour we owe the most universally appreciated features of Christmas tide."—*Review of Reviews*.
