# BARNARD, BISHOP, & BARNARDS, Ld.

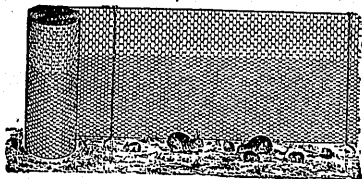

SPECIALITY-

PATENT MACHINE-MADE

MIXED-MESH NETTING.

Consisting of 1½ in. mesh below and 2½ in. above, thus providing an absolutely safe Rabbit Fence at 20 per cent. below the cost of 1½ inch throughout.

At the suggestion of several clients we have laid down Machinery for the manufacture of a

### NEW VARIETY (as illustrated),

Consisting of 1½ inch below and a special form of 1½ inch above, and this combination exactly fulfils the conditions of the Bill dealing with the rabbit pest, as introduced into the New South Wales Legislature by the Hon. Carruthers, and a third combination consisting of 1½ inch combined with 1½ inch mesh. These all effect a considerable saving over 1½ inch mesh throughout.

We being the Sole Makers of this Patent Netting,  
Indentors should specify "BARNARD'S NETTING."  
INQUIRIES INVITED. ESTIMATES AND SAMPLES FREE.

Do not be misled into buying so-called mixed-mesh netting with intermediate strands, which is in reality but two ordinary widths laced together by hand, while ours is woven in one unbroken width throughout.
