LOCAL GOVERNMENT.

For the purposes of the Land Regulations and Geographical divisions the Colony is divided into six Divisions:

**South-West Division** contains 77,980 square miles, & is the most temperate part of Western Australia. It was the portion of the Colony first settled. It is heavily timbered & well watered & capable of supporting a large population.

**Western Division** contains an area of 133,000 square miles. It is suitable for pastoral purposes, & has been proved to be healthy for all kinds of stock. Included in this division is the Murchison Goldfield.

**North-West Division** contains 81,000 square miles, & is a rich pastoral division, consisting of well grassed plains, fairly well

watered. The Pilbarra Goldfield is within this division.

**Kimberley Division** contains an area of 144,000 square miles. The Kimberley Goldfields, situated at the watershed of the Fitzroy & the Ord, are within this division.

**Eucla Division** contains 50,880 square miles, & is almost unoccupied.

**Eastern Division** contains 489,060 square miles, & comprises the interior of the Colony. The Yilgarn, Coolgardie, East Coolgardie, Duntas, East Murchison & other goldfields of the Eastern Goldfield group are within this division.

**Area.**—The greatest length of the territory of W.A. from Cape Londonderry in the north to Peak Head (south of King George's Sound) in the south, is 1,480 miles, & its breadth from Steep Point, near Dirk Hartog's Island on the west, to the 129th meridian, on the east, about 1,000 miles, containing, according to the latest computations, an area of 975,920 square miles, or 624,588,800 acres.

The area of the whole of Europe is 3,823,197 square miles, whilst the grand total of the British Dominions & Protectorates, is 11,334,391 square miles, & that of Great Britain & Ireland 120,840 square miles.
