DISTRICT ROADS BOARDS.

Roads.—The roads of the State, outside of Municipalities, are principally under the charge of District Roads Boards, who have powers under the "Roads Act" similar to those given to Local Government Bodies in the other States. A good number of roads, however, on Goldfields where water supply is a principal factor, are constructed and maintained by Mines Water Supply Dept. The main stock routes, of which the water supply is principal and ruling factor—passing through centre of State—are constructed and maintained at considerable cost, owing to their great length and remoteness, by the Public Works Dept. Roads Boards are authorised to levy a general rate on property within their district not exceeding is. 6d. in the £ in any one year.

The Roads Boards are also charged with the collection of Carriage licenses, and Dog tax, and Executive Duties of "Cart and Carriage Act," "Dog Act" and "Width of Tyres Act," also control of water supplies along roads which are principally constructed by Works Dept. and handed over to Local control.

For the year ending July 30th, 1902, Parliament voted for the construction and maintenance of roads and bridges £91,330 from Revenue, as additional to amounts expended from Local funds.

The whole of the Administration of the funds voted by Parliament for roads and bridges, as well as the "Roads Act" and "Width of Tyres Act" and other matters in connection with the Roads Boards, is under the control of the Public Works Dept.

Minister: Hon. C. H. Rason. Under Secretary: M. E. Jull.
 Roads Board Clerk: A. E. Sanderson.

The names of the various roads throughout the State, as existing in December, together with names and addresses of Secretaries, are given hereunder.

* Where an asterisk is shown, the name of the chairman or member is given, who acts as honorary secretary.

 Yilgarn—E. Aisbott, Southern Cross
 York—G. A. Stevens, York; first Thur

Roads Boards, which must consist of seven persons, inclusive of the Chairman, whom the members choose from amongst themselves, are elected by ballot by the ratepayers in the district whose names are on the Roads Board electoral list, and each elector has a proportionate number of votes to the rateable value of the property owned or occupied by him in the district.
