The Buyers and Sellers of Australasia Directory
(Wise's.)
PUBLISHED ANNUALLY.
A Trades and Professional Directory representing the whole business world of Australia,
Tasmania and New Zealand.
The commerce and purchasing power of these territories are increasing at a rate
unprecedented in former years, just as their power of producing increases. The people are
a race of producers, and as such have wants to be supplied. This work, therefore, offers to
business people everywhere the means of reaching these buyers and sellers of goods--the
buyers, who buy from the manufacturers; the sellers, who sell to the houses of the users--
and as such is invaluable to those who wish to secure a share of profitable business.
The only work published giving the names and addresses of the whole trading world of
the Commonwealth of Australia and the Dominion of New Zealand.
