**The Buyers and Sellers'
 of Australasia Directory**

(WISE'S)

PUBLISHED ANNUALLY

A Trades and Professional Directory representing the whole Business World of Australia, Tas-
 mania, and New Zealand.

The commerce and purchasing power of these territories are increasing at a rate unpre-
 cedented in former years, just as their power of producing increases. The people are a race of
 producers, and as such have wants to be supplied. This work, therefore, offers to business people
 everywhere the means of reaching these buyers and sellers of goods—the buyers, who buy from
 the manufacturers; the sellers, who sell to the houses of the users—and as such is invaluable
 to those who wish to secure a share of profitable business.

The only work published giving the names and addresses of the whole trading world of the
 Commonwealth of Australia and the Dominion of New Zealand.
