HAS it ever occurred to you what an important part Directories take in the Business World of to-day, and how they bring about Trade relations

You often wonder how firms or individuals get to know of your existence—where they get the information from. You get orders or enquiries, not only from firms or individuals in your own State, but from Great Britain, America, and so on.

How else could they get to know you are manufacturers of just the goods they are after, but by turning up the Trades of a Directory, and you may be sure it is one of WISE'S Post Office DIRECTORIES or WISE'S BUYERS and SELLERS of Australasia DIRECTORY.

They all circulate throughout the World, and as an advertising medium are unsurpassed.
