

EASTERN TRADE.

DOUBLED IN THREE YEARS!

It Pays to Advertise!

"AUSTRALIA'S trade with the East has increased 100 per cent. in the last three years. Next year, 1926, a further increase of 33½ per cent. at least is expected."

This statement was made by the manager of a well-known shipping company, engaged in the Australia-Java, Singapore, and Malay State trade.

The increased trade, he said, was almost wholly due to better and more extensive advertising on the part of enterprising Australian firms.

Each vessel that sailed to the East from January to August was loaded to the plimsol with Australian goods.

WISE'S DIRECTORIES

of the Australian States and New Zealand circulate not only to the East but to all parts of the World, and afford the best Advertising medium to Australian firms in bringing their goods before buyers.

An Advertisement in any of WISE'S Directories is a sound investment.
