1/3 OF VAST AUSTRALIA

WHOLLY COVERED BY

The West Australian.

ONE THIRD of vast Australia . . . an area of 975,920 square miles . . . wholly covered by "THE WEST AUSTRALIAN"! It is no idle boast . . . it is a fact . . . wherever men may meet . . . wherever they make their homes . . . or pitch their tents . . . "The West Australian" takes its daily message . . . Wherever there is news to be told . . . wherever information is required . . . "The West Australian" is there to give it. Every morning a miracle of machinery starts thousands of papers upon their State-wide journeys — motorcars . . . trains . . . aeroplanes . . . horsemen . . . carters . . . take them further and further into the out-back, until there is not a single corner of Western Australia which "The West Australian" does not reach.

"THE WESTERN MAIL"

Western Australia's only illustrated weekly circulates in all the country districts. special Rural features combined with pithy news, briefly told . . . and pages of sport . . . motoring and fashions . . . make "The Western Mail" the most sought-after magazine in the country districts of Western Australia. Town people too, find much of interest in "The Western Mail," the splendid illustrated section . . . giving pictures from world-wide sources . . . a popular "Digger's" section . . . and vastly interesting literary pages, being of special appeal, help "The Western Mail" to keep its envious reputation as Western Australia's best weekly.

"The Broadcaster" is on sale throughout Western Australia every Saturday morning, it regularly contains 64 pages, and costs 3d. per copy.
