## RESIDENT'S NOTE

It is important to yourself, as well as to others, that your correct address is shown in the Directory. You may remove to another address shortly after our compiler has called at your home and gone to a Suburb or Street which has already been compiled. What is the result? You are shown in the next issue still at your old address. You can get over this difficulty by notifying our office that you have changed your address, or you could ring up. Tel. B 9521.
