

1/3 OF VAST AUSTRALIA

WHOLLY COVERED BY

The West Australian.

ONE THIRD of vast Australia . . . an area of 975,920 square miles . . . wholly covered by "THE WEST AUSTRALIAN"! It is no idle boast . . . it is a fact . . . wherever men may meet . . . wherever they make their homes . . . or pitch their tents . . . "The West Australian" takes its daily message . . . Wherever there is news to be told . . . wherever information is required . . . "The West Australian" is there to give it. Every morning a miracle of machinery starts thousands of papers upon their State-wide journeys — motorcars . . . trains . . . aeroplanes . . . horsemen . . . carters . . . take them further and further into the out-back, until there is not a single corner of Western Australia which "The West Australian" does not reach.

"THE WESTERN MAIL"

Western Australia's only illustrated weekly circulates in all the country districts . . . special Rural features combined with pithy news, briefly told . . . and pages of sport . . . motoring and fashions . . . make "The Western Mail" the most sought-after magazine in the country districts of Western Australia. Town people too, find much of interest in "The Western Mail," the splendid illustrated section . . . giving pictures from world-wide sources . . . a popular "Digger's" section . . . and vastly interesting literary pages, being of special appeal, help "The Western Mail" to keep its envious reputation as Western Australia's best weekly.
