WISE'S DIRECTORIES  
KNOWN THROUGHOUT  
THE WORLD

**H**AS it ever occurred to you what an important part  
Directories take in the Business World of to-day, and  
how they bring about Trade relations

You often wonder how firms or individuals get to know of your  
existence—where they get the information from. You get orders  
or enquiries, not only from firms or individuals in your own State,  
but from Great Britain, America, and so on.

How else could they get to know you are manufacturers of just  
the goods they are after, but by turning up the Trades of a Directory,  
and you may be sure it is one of WISE'S Post Office DIRECTORIES  
or WISE'S BUYERS and SELLERS of Australasia

They all circulate throughout the World, and as an advertising  
medium are unsurpassed.
