

A Register of every Business in Australia!

This Directory contains the names and addresses of every Company, Firm or Business, Manufacturer, Retailer and Wholesaler in the whole of Australia. Every organisation or person in business is listed, including the professions—Doctors, Solicitors, Architects, etc. It is the only Directory published giving this complete information; not merely lists of paid advertisements.

Names are arranged alphabetically under classified trade headings according to the business or profession conducted. There are over 1,600 different classifications ranging from Abattoirs to Zoological Parks. Classifications are also arranged in alphabetical order.

Each State of the Commonwealth—New South Wales, Victoria, Queensland, South Australia, Western Australia and Tasmania—is shown in a separate section. For instant reference each State is plainly marked on the fore-edge and differently coloured. Over 310,000 names and addresses are listed throughout this Directory's 1,900 pages, and the whole book is revised and issued annually.

A British Section contains illustrations and descriptions of British Manufacturers specialising in Boots and Shoes, Drapery, Textiles, Hosiery, Clothing, Haberdashery, General Engineering and Hardware, Jewellery, Silverware, Fancy Leather Goods, Machinery and Machine Tools, Medical, Surgical and Scientific Instruments, Pottery, Glassware, Sports Goods, Stationery and Printing Machinery. These Advertisers are anxious for export trade.
