**ROYAL AGRICULTURAL SOCIETY OF WESTERN AUSTRALIA (Inc)**

In 1829 the West Australian Agricultural Society was formed, and on 28 May 1831 an agricultural society was organised in Perth. In August 1907, representatives of 19 societies met and decided to affiliate. The government was approached to pass a bill investing the Royal Agricultural Society with the necessary powers to direct affiliation of the various societies in the state. The Royal Agricultural Society of WA is recognised as an institution for the promotion of primary and secondary industries, arts, crafts and other commercial activities.
