Draw your own map

Think of a special place you love to visit, like your school, the library, your best friend's house, or your grandparents' house. Now, draw a map that shows how to get there.

- 1. Draw your home or starting point.
- 2. Add your destination.
- 3. Include important stops or landmarks along the way.
- 4. Use a dotted line or arrows to show your path.
- 5. Add colours, symbols, or pictures to make your map fun!
- 6. Explain your map to a grown up or friend.
